Education and Community Programs – VP: Kent McNeil (SVAEducationVP@SLSO.org)

Express the Music – This program is a creative prose and poetry competition for students in sixth through twelfth grades. This educational activity invites students to listen to a specific selection of symphonic music and then express their thoughts and emotions through creative writing. Committee members contact area schools, select judges, screen the entries, and plan an awards ceremony.

Program timing: Beginning of school year through April.

Instrument Playground – This program provides a hands-on experience with real instruments in a traveling format. Committee members transport instruments, give short presentations about instrument families, and assist students in garnering sound from instruments. The ability to play an instrument is helpful, but not required as much as an affinity for working with elementary-age students.

Program Timing: This program is available at all SLSO Family Concerts, Tiny Tunes Concerts, and Picture the Music Awards Ceremony, and as part of the curriculum for the Symphony in Your School elementary program and other locations as opportunities arise.

Picture the Music – This program is a creative art competition for students in kindergarten through sixth grade. Students listen to a specific selection of symphonic music and then create their own artistic interpretation through painting, coloring or drawing. Committee members oversee communications with area schools, plan and coordinate all aspects of a judging day, awards ceremony, and traveling display, and also transport pictures to and from display locations.

Program timing: Beginning of school year through March. Traveling display March through May.

Powell Hall Opportunities – Powell Hall Opportunities is the overarching committee that includes five teams (Education Concert Hosts, Friday Coffee Concerts, Group Hosts, Powell Hall Tours, and Youth Orchestra) whose activities take place at Powell Hall. The collective purpose for PHO volunteers is to be an extension of the SLSO staff by providing a welcoming and positive experience for guests visiting Powell Hall, and to support Symphony sponsored education opportunities for area schools and the community, and the St. Louis Symphony Youth Orchestra. *SVA members may volunteer for one or more teams.*

Program timing: Education Concerts begin at 9:30am and 11am. Volunteers arrive one hour before the concert and leave after all the buses are loaded for departure after the concert ends.

Group Hosts – This team assists groups arriving by shuttle bus for Friday morning Coffee Concerts and special holiday-season concerts. Following the concert, our volunteers help the patrons find their shuttles. Volunteers receive a complimentary ticket to the concert.

Program timing: Coffee Concerts begin at 10:30am. Volunteers arrive about one hour before the concert and leave after the shuttles are loaded for departure after the concert ends.

The tours create a deeper appreciation of Powell Hall and the SLSO among visiting students and adults. Team members conduct tours after Tiny Tunes Concerts and Young People's Concerts and as needed for special events, including adult tours. Volunteers are trained to conduct tours and get an insider’s view of Powell Hall.
