

## **Bus Driver Information**

1. Powell Hall is located at 718 N. Grand Blvd., St. Louis, MO 63103.
2. Plan to arrive 30 minutes before the start of the concert.
3. All buses must unload on the south side of Delmar adjacent to Powell Hall. Do not unload your bus on Grand.
4. Please wait for an SLSO staff member to greet you with further instructions before unloading and parking your bus.
5. After students have exited the bus, drivers will be instructed to immediately park in the lot behind Powell Hall via Compton Ave. Drivers are strongly encouraged to not leave with their bus. Doing so causes logistical complications during the dismissal process. \*
6. The bus that drops students off at Powell Hall needs to be the same bus that takes them back to school – all buses must remain on the parking lot during the concert.
7. Once buses are parked, drivers are encouraged to stay with the bus or join the group inside Powell Hall for the concert. If the driver must leave the bus, we ask they share their cell phone number with the teacher incase things don't go as planned.
8. Concerts are 45 minutes long.

\*What you might not know is that during the concert, SLSO staff create bus maps for the teachers so they can quickly and easily locate their bus in the parking lot after the concert. If bus drivers do not enter the lot immediately after dropping students off, their bus will not be on the map making it difficult for the teacher to locate the bus after the concert.

**PARKING MAP**

Please be patient with parking lot staff as they work to get everyone parked safely and efficiently.
